On December 31, 2018, QVC, Inc. ("QVC"), an indirect wholly owned subsidiary of Qurate Retail, Inc., amended and restated QVC’s existing credit agreement (as amended and restated, the “Fourth Amended and Restated Credit Agreement”) and refinanced QVC’s existing bank credit facility by entering into a fourth amendment and restatement agreement with QVC and zulily, llc ("zulily"), a wholly owned subsidiary of Qurate Retail, Inc., as borrowers (collectively, the “Borrowers”), JPMorgan Chase Bank, N.A., as administrative agent, and the other parties named therein.

The Fourth Amended and Restated Credit Agreement is a multi-currency facility providing for a $3.65 billion revolving credit facility, with a $450 million sub-limit for letters of credit and up to $1.8 billion of uncommitted incremental revolving loan commitments or incremental term loans. The Fourth Amended and Restated Credit Agreement includes a $400 million tranche that may be borrowed by QVC and zulily, as co-borrowers. The remaining $3.25 billion and any incremental loans may be borrowed only by QVC. The Fourth Amended and Restated Credit Agreement provides a table of interest rate margins that is the same as the previous bank credit facility. Borrowings under the Fourth Amended and Restated Credit Agreement bear interest at either the alternate base rate or LIBOR (based on an interest period selected by the applicable Borrower of one week, one month, two months, three months or six months, or to the extent available from all lenders, twelve months) at the applicable Borrower’s election in each case plus a margin. Borrowings that are alternate base rate loans will bear interest at a per annum rate equal to the base rate plus a margin that varies between 0.25% and 0.75% depending on the Borrowers’ combined ratio of consolidated total debt to consolidated EBITDA (the “consolidated leverage ratio”). Borrowings that are LIBOR loans will bear interest at a per annum rate equal to the applicable LIBOR plus a margin that varies between 1.25% and 1.75% depending on the Borrowers’ combined consolidated leverage ratio. Each loan may be prepaid at any time and from time to time without penalty other than customary breakage costs. No mandatory prepayments will be required other than when borrowings and letter of credit usage exceed availability; provided that, if zulily ceases to be controlled by Qurate Retail, Inc., all of its loans must be repaid and its letters of credit cash collateralized. Any amounts prepaid on the revolving facility may be reborrowed.

The loans are scheduled to mature on December 31, 2023. Payment of the loans may be accelerated following certain customary events of default.

The payment and performance of the Borrowers’ obligations (including zulily’s obligations) under the Fourth Amended and Restated Credit Agreement are guaranteed by each of QVC’s Material Domestic Subsidiaries (as defined in the Fourth Amended and Restated Credit Agreement) and certain other subsidiaries of QVC that QVC has chosen to provide guarantees. Further, the borrowings under the Fourth Amended and Restated Credit Agreement are secured, pari passu with QVC’s existing notes, by a pledge of all of QVC’s equity interests. The payment and performance of the Borrowers’ obligations with respect to the $400 million tranche available to both QVC and zulily will also be guaranteed by each of zulily’s Material Domestic Subsidiaries, if any, and are secured by a pledge of all of zulily’s equity interests.

The Fourth Amended and Restated Credit Agreement contains certain affirmative and negative covenants, including certain restrictions on the Borrowers and each of their respective restricted subsidiaries (subject to certain exceptions) with respect to, among other things: incurring additional indebtedness; creating liens on property or assets; making certain loans or investments; selling or disposing of assets; paying certain dividends and other restricted payments; dissolving, consolidating or merging; entering into certain transactions with affiliates; entering into sale or leaseback transactions; restricting subsidiary distributions; and limiting QVC’s consolidated leverage ratio and the Borrowers’ combined consolidated leverage ratio.
Borrowings under the Fourth Amended and Restated Credit Agreement may be used to repay outstanding indebtedness, pay certain fees and expenses, finance working capital needs and general corporate purposes of the Borrowers and their respective subsidiaries and make certain restricted payments and loans to the Borrowers’ respective parents and affiliates.

In connection with the refinancing, HSN, Inc. and its subsidiaries, other than the Cornerstone Brands, became subsidiaries of QVC as part of an intercompany restructuring by Qurate Retail, Inc. Proceeds from QVC’s new credit facility were used to repay in full all outstanding debt under the $1.00 billion senior secured credit facility of HSN, Inc., and HSN, Inc.’s credit facility was terminated.

The press release announcing the refinancing of QVC’s existing bank credit facility and the execution of the Fourth Amended and Restated Credit Agreement is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference into this Item 2.03. The foregoing discussion of the terms of the Fourth Amended and Restated Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Fourth Amended and Restated Credit Agreement, which is filed as Exhibit 4.1 to QVC’s Current Report on Form 8-K filed January 4, 2019 (and incorporated by reference as an exhibit to this Current Report on Form 8-K) and is incorporated by reference into this Item 2.03.
